

The *Career Connections* program provides valuable experience in a trade of interest. It is an opportunity for Grade 10-12 students to obtain entry level skills and industry recognized safety training certification. Participating students also have the opportunity to obtain a high school credit upon completion of a work experience component.

## *MASONRY / BRICKLAYING*

In partnership with *Bricklayers & Allied Craftworkers Local 1* is being offered beginning  
**Tuesday, November 1, 2022**
