Electrical/Electronics

Monday, August 17 - Friday, August 21, 2020

9:00am - 3:30pm

Campus Regina Public

1069 14th Ave. E, Regina

Want to learn about electricity? This shocking experience will introduce you to the world of electrical installation and wiring! Curious about how electronics work and how you can fix them? From wiring a room to installing LED lights in electronic devices, this summer camp is for you. For a detailed agenda of the skills covered in this camp, please visit www.rdiec.ca

Camp registration forms are available from your school Career Counsellor or Middle Level PAA teacher. They are also available online at www.rdiec.ca under the Programs section and Summer Skills Camps tab. **The deadline for registrations is Monday August 3, 2020**
