

“Insert School Letterhead”

“Insert today’s date”

Dear Parents/Guardians:

Regina District Industry Education Council will again be hosting its annual grade nine “*Try a Career*” Days, at the Balgonie Rink and Communiplex on Tuesday, May 14th – Thursday, May 16th. The goal is to assist students in thinking about their post-secondary plans and encourage them to seriously start investigating possible career futures. By doing so, it is hoped that students will carefully consider their course selections in grades ten, eleven and twelve.

All Grade nines from Regina district schools will participate in this event and will have the opportunity to try their hand at a variety of different trades and careers.

Please note, that lunch **will not** be provided for the students. However, there will be a small canteen that will sell snacks. There will also be water stations available for student use.

Please sign the form on the next page and return that portion to “Insert to whom you want the form returned” by “Insert return date”

Yours truly,

“Insert name of Principal”

“Insert School Letterhead”
