

High School Accelerated (HSXL) - Information Meeting

Are you a Grade 11 or 12 student looking for a challenge?

High School Accelerated courses have been developed specifically for you. The professors are there to support and assist you as you navigate university-level material and university-level learning.

- Kick-start your university studies as you ease into university-level courses before you finish high school
- Free up your schedule in your first year of university
- Challenge yourself with course material not offered at your high school
- Explore your interests before you pick your U of R program
- Start networking now - meet university professors and staff
- Enhance your resume and applications
- Choose a dual credit course to get both high school AND university credit for the same course, saving you time and money!

If you are a Student or Parent interested in hearing more about this; you can attend the following in-person meetings.
