

CAREER SPOTLIGHTS PERMISSION FORM

Regina District Industry Education Council (RDIEC) represents Regina Public School Division, Regina Catholic School Division, Prairie Valley School Division and File Hills Qu'Appelle Tribal Council. The RDIEC organizes Career Spotlights which provide an opportunity for interested Grade 10-12's to obtain information about a specific career area. The presenters indicate to the students what they do in their jobs, why they got involved in their profession and what they perceive to be the challenges and rewards of their occupation. The students are then involved in an activity which demonstrates some aspect of the presenters' work world and/or a tour of the facility. For more information about Career Spotlights, please visit www.RDIEC.ca

Hundseth Power Line Construction Spotlight

Thursday, June 8th 9:30 AM – 12:30 PM

Students will be bussed at 9:10AM from Campus Regina Public to 2550 Gottselig Rd.

HPL is looking for people with a positive attitude and strong work ethic to help them continue to provide industry leading service to their large host of clients across Saskatchewan and Manitoba. Many of the positions involve working outside, so at this spotlight students will experience the life of a typical employee by: **climbing a pole with safety gear and spurs, operating a mini backhoe, taken up in a bucket and visiting a working crew onsite.**

Interested students can drop off their resume with their HR department for potential hire.

Pizza Lunch will be supplied by Hundseth Power Line Construction

To attend this spotlight, please register with your School Counsellor by Monday, June 5th
