

# THINK MANUFACTURING PERMISSION FORM

Regina District Industry Education Council (**RDIEC**) represents Regina Public School Division, Regina Catholic School Division, Prairie Valley School Division and File Hills Qu'Appelle Tribal Council. The RDIEC organizes Career Spotlights which provide an opportunity for interested Grade 10-12's to obtain information about a specific career area. The presenters indicate to the students what they do in their jobs, why they got involved in their profession and what they perceive to be the challenges and rewards of their occupation. The students are then involved in an activity which demonstrates some aspect of the presenters' work world and/or a tour of the facility. For more information about THINK events or Career Spotlights, please visit [www.RDIEC.ca](http://www.RDIEC.ca)

The students will meet at Campus Regina Public (Cochrane High School) at 1069 14<sup>th</sup> Ave. East in Regina. They will then be bussed to Degelman Industries, Pro Metal Industries, Dyna Industrial and Saskatchewan Polytechnic. Students **must arrive 20 minutes** prior to the bus leaving. Students will spend half the day touring manufacturing facilities and half the day at Sask. Polytechnic. Please note lunch will be provided at Sask. Polytechnic. The school will allow students to attend, and the absence will be excused, but students are responsible for all material missed in class that day. If you have any questions or concerns, please feel free to contact [gordon.heidel@rdiec.ca](mailto:gordon.heidel@rdiec.ca) or 306-537-2960.
