

# CAREER SPOTLIGHT PERMISSION FORM

## RQHR - Emergency Medical Services

Regina District Industry Education Council (RDIEC) represents Regina Public School Division, Regina Catholic School Division, Prairie Valley School Division and File Hills Qu'Appelle Tribal Council. The RDIEC organizes Career Spotlights which provide an opportunity for interested Grade 10-12's to obtain information about a specific career area. The presenters indicate to the students what they do in their jobs, why they got involved in their profession and what they perceive to be the challenges and rewards of their particular occupation. The students are then involved in an activity which demonstrates some aspect of the presenters' work world and/or a tour of the facility. For more information about Career Spotlights, please visit [www.RDIEC.ca](http://www.RDIEC.ca)

This spotlight will focus on Emergency Medical Services. The students will have an opportunity to spend time with RQHR-EMS paramedics. The paramedics will explain the type of work that they do and describe the characteristics that they are looking for in a candidate. The presentation will also speak to career opportunities, salary expectations and working conditions. Much of this presentation involves familiarization with an ambulance and its equipment as well as hands-on skills stations.

The school will allow students to attend and the absence will be excused but students are responsible for all material missed in class that day. If you have any questions or concerns, please feel free to contact [renette.edgar@rdiec.ca](mailto:renette.edgar@rdiec.ca) or (306) 533-4769
