

Summer Apprenticeship Program

May 19 to August 24

You can earn up to four Apprenticeship High School Credits while exploring a TRADE of your choice.

If you have a job working in the trades under the direct supervision of a Journeyed Person, you can earn High School Credits while you are getting paid.

Please note that the RDIEC will **not** be posting employer ads this year, but we will be available to supervise students so that they can take advantage of the Apprenticeship credit option.
